

Song of America – Opening

And I'm proud to be an American where at least I know I'm free
And I won't forget the men who died and gave that right to me
And I'd gladly stand up next to you and defend her still today
Cause there ain't no doubt I love this land, God Bless the U-S-A

This is my country land of my birth, This is my country grandest on earth
I pledge thee my allegiance America the bold for this is my country to
have and to hold

This is my country land of my choice This is my country hear my proud
voice

I pledge thee my allegiance, America the bold

For this is my country, to have _____ and to.....have and to ___ hold

Far....we've been travelling far, without a home, but not without a star

Free....only want to be free, we huddle close, hang on to a dream

Everywhere around the world, they're coming to America

Every time that flag's unfurled, they're coming to America

Got a dream to take them there, They're coming to America

Got a dream they've come to share, They're coming to America

They're coming to America, They're coming to America,

They're coming to America

They're coming to America

Today.....today.....today _____

Today.....today.....today _____ Today

(high) _____ (low) _____

Of thee I sing, America _____
